

Reference list

- [Why a reference list?](#)
- [Publications in general](#)
- [Books](#)
- [Books for children](#)
- [Publications from the Foundation or information on research in one of the projects of the Foundation](#)

Why do we offer a list with references on the Przewalski horse?

Here to fore, several articles and books have been published about the Przewalski horse. Unfortunately many references were either difficult to obtain or much information has never been published. Many people from all over the world asked us to inform them on publications about the Przewalski horse. We therefore include references in this site without pretending that it is complete.

General list

Allen, J.L. 1992. Immobilization of Mongolian wild horses (*Equus przewalskii przewalskii*) with carfentanil and antagonism with naltrexone. *Journal of Zoo and Wildlife Medicine* 23:422-425.

Published books on the Przewalski horses

Introduction

The pre-eminent compendium on the species was written by Dr Erna Mohr in 1959 and translated into English in 1971. Although Mohr's book can never be surpassed for its firsthand accounts of the early history of the species and its extensive illustrations, much has happened since her book was written. In 1994 Lee Boyd and Katherine Houpt edited the second standard book on the species in which all up to date information on the Przewalski horse is gathered in one place.

The following books were published on the Przewalski horse

Boer, de L.E.M., J.G. Bouman and I. Bouman (eds.). 1979. *Genetics and Hereditary Diseases of the Przewalski Horse*. Foundation for the Preservation and Protection of the Przewalski Horse, Rotterdam, The Netherlands. 177 pp.

Bökönyi, S. 1974. *The Przewalski Horse*. Souvenir Press, London, 140 pp.

Bouman, J.G., I. Bouman and A. Groeneveld (eds.). 1982. *Breeding Przewalski Horses in Captivity for Release into the Wild*. Foundation for the Preservation and Protection of the Przewalski Horse, Rotterdam, The Netherlands. 240 pp.

Boyd, L. and K.A. Houpt (eds.). 1994. *Przewalski's horse, the History and Biology of an Endangered Species*. SUNNY SERIES, State University of New York Press. 313 pp.

Mohr, E. 1959. *Das Urwildpferd*. A. Ziemsen Verlag, Wittenberg Lutherstadt. 144 pp.

Mohr, E. 1971. *The Asiatic Wild Horse*. J.A. Allen and Co Ltd., London. 124 pp.

Volf, J. 1996. *Das Urwildpferd*. Die Neue Brehm – Bücherei, Bd 249 Spektrum Akademischer Verlag - Heidelberg. 147 pp.

(This book is a revised edition of Mohr's book)

Weeks, M. 1977. *The last wild horse*. Houghton Mifflin Company Boston. 144 pp.

[Top](#)

The following books for children were published on the Przewalski horse

Aldridge, J. 1974. *The Marvellous Mongolian*. Piccolo Book. Macmillan London Limited. 139 pp. *(This Book also was published in the German language by Paul Zsolnay Verlag, Wien, Hamburg. 1975. ISBN 3-552-02718-1)*.

Babos, A. 1998. *De laatste wilde paarden*. Uitgeverij C. de Vries-Brouwers/Rotterdam en Antwerpen. 24 pp.

Cottrell Free, A. 1963. *Forever the Wild Mare*. Dodd, Mead and Company, New York. 178 pp.

Gruber, W. 1994. *Lauf, Tachi! Ein Urwildpferd hat keinen Namen*. Aare Verlag. Frankfurt am Main. 135 pp.

Slaughter Doty, J. 1985. Yesterday's Horses. Macmillan Publishing Company, New York. 114 Przewalski-paard. (This book was also translated in Danish language with in the title ZIPPER. 1987. ISBN 91-32-12859-2).

Streblow, L. 1992. Wirru, das Wildpferd. Loewes Verlag. Bindlach. 133 pp.
